Objet : Renonciation à la protection IP44

Monsieur GAUTHIER,

Je, soussigné, Mathieu LE VAN Development Leader enki, tiens par la présente à vous informer de notre décision de renoncer à l'aspect IP44 pour le produit « Boitier actionneur chaudière énergie ENKI », référence ADEO 91513486, référence NodOn BPS-SIN-4-1-20_EQU.

Le produit commercialisé et certifié par NodOn (BPS-1-1-00) sous la norme IEC 60670-1 spécifie une conformité avec l'indice de protection IP44. Bien que nous reconnaissons l'importance de cette norme de certification pour la protection des équipements électriques en milieu humide, nos besoins spécifiques requièrent une configuration différente ne nécessitant pas la protection IP44.

Je vous prie d'agréer, Monsieur, l'expression de nos salutations distinguées.

Mathieu LE VAN
